Bitte benutzen Sie für die Montage den beiliegenden Inbusschlüssel. Um Beschädigungen am Produkt zu vermeiden raten wir von der Benutzung eines Akkuschraubers ab! Nur original Zubehör- und Ersatzteile vom Hersteller oder Lieferanten verwenden. Verbinden Sie alle Teile zunächst nur lose miteinander. Ziehen Sie erst nach Beendigung der Montage alle Schraubverbindungen fest an. Das erleichtert den Aufbau und vermeidet, dass der Artikel wackelt!

Please use only the enclosed hex key for the assembly. To avoid damaging the product we advise against using an electric screwdriver! Use only original accessories and spare parts from the producer or from the providers. First, screws the components loosely together. Tighten the screws only after having finished the assembly.
