STEP 3:

STEP 4:

STEP 5:

STEP 6:

STEP 7:

STEP 8:

Lors de l' assemblage du montage n°8, si on constate qu' il ne peut pas être mis dans la cour, dévissez légèrement les vis n°32 sur la plaque latérale. Lorsque l' assemblage n°8 est mis dans la cour délicatement, alors serrez les vis n°32.

When assembling the patch #8, if it is found that the patch #8 cannot be put into the court, loosen the screw #32 on the side plate a little bit.

When the patch #8 is put into the court smoothly, then tighten the screw #32.

Wenn Sie bei der Montage von Patch #8 bemerken, dass es nicht in den Boden eingesetzt werden kann, lösen Sie die Schraube #32 an der Seitenplatte ein wenig.

Wenn Patch #8 eben in den Boden eingesetzt ist, ziehen Sie die Schraube #32 fest.

Al ensamblar el parche #8, si se encuentra que el parche #8 no se puede colocar en la cancha, afloje un poco el tornillo #32 en la placa lateral.

Cuando el parche n.º 8 se coloque en la cancha sin problemas, apriete el tornillo n.º 32.

Quando si installa la toppe n. 8, se si scopre che la toppe n. 8 non può essere inserita nel campo, allentare leggermente la vite n. 32 sulla piastra laterale.

Quando la toppe n. 8 è stata inserita nel campo senza intoppi, stringere la vite n.32.

Wanneer u patch #8 installeert en het blijkt dat patch #8 niet in de baan kan worden geplaatst, draait u schroef screw #32 op de zijplaat wat losser.

Wanneer patch #8 soepel in de baan is geplaatst, draait u schroef #32 weer aan.

Quando monta o remendo #8, observa-se que o remendo #8 não pode ser colocado na rede, desaperte ligeiramente o parafuso #32 na placa lateral.

Quando o remendo #8 é colocado suavemente na rede, aperte então o parafuso #32.

Podczas montażu łaty nr 8, jeśli okaże się, że łata nr 8 nie może być umieszczona w podłożu, poluzuj nieco śrubę nr 32 na płycie bocznej.

Gdy łata nr 8 zostanie gładko włożona w podłoże, dokręć śrubę nr 32.
