E X1Vacuum
Bag Cutter**Complete****Step 1**

Carefully open the carton along the marked line and take out the compressed sofa roll.

**Step 2**

Remove the outer plastic wrap and unroll the compressed sofa flat on the floor.

Step 3

Use the Vacuum Bag Cutter (E) to carefully open the vacuum bag. Allow air to enter, and the compressed sofa will begin to expand.

Step 4

Pat and massage all parts of the sofa to help the foam fully expand. Smooth the fabric with your hands in one direction to ensure an even color.

Step 5

Take out the Backrests (C) and Pillows (D), and fluff them as shown below.

Pat both sides with your hands to help the cushions expand.

Pat the front and back to allow air to fully enter the foam.

Carefully smooth out each section until the surface is even.

Step 6

Remove the protective cloth from the Velcro on the bottom of the Seat Cushion (B) and place it on the Sofa Base (A). Then, arrange the Backrest (C) and Pillow (D) as shown.

Vollständig

Step 1

Öffnen Sie den Karton vorsichtig an der markierten Stelle und nehmen Sie das komprimierte Sofa heraus.

Step 2

Entfernen Sie die Kunststoffolie, damit sich das komprimierte Sofa auf dem Boden vollständig ausbreiten kann.

Step 3

Verwenden Sie den beiliegenden Cutter (E), um den Vakuumbbeutel zu öffnen.

Step 4

Klopfen Sie alle Bereiche der Sofaoberfläche mit den Händen ab, damit die Luft vollständig in den Sofaschaum eindringen kann; streichen Sie anschließend mit den Händen in Richtung der Webstruktur des Stoffes, um ein gleichmäßiges Erscheinungsbild der Sofafarbe zu erzielen.

Step 5

Nehmen Sie die Rückenlehnen (C) und die Kissen (D) aus der Verpackung und klopfen Sie diese wie abgebildet auf.

Drücken und klopfen Sie von den Seiten mit beiden Händen, damit die Kissen vollständig mit Luft gefüllt werden.

Drücken und klopfen Sie die Kissen mit beiden Händen, damit sie sich vollständig mit Luft füllen.

Streichen Sie alle Bereiche vorsichtig glatt, bis die Oberfläche gleichmäßig ist.

Step 6

Entfernen Sie die Schutzfolie vom Klettverschluss auf der Rückseite der Kissen (B) und legen Sie die Kissen dann auf das Sofa (A).

Découpeur de film

Assemblage final**Step 1**

Utilisez un cutter pour ouvrir le carton au niveau de la zone indiquée pour le déballage, puis sortez le canapé compressé et roulé.

**Step 2**

Retirez le film plastique en suivant l'indication d'ouverture pour que le canapé puisse se déployer à plat sur le sol.

Step 3

Utilisez le découpeur de film (E) pour ouvrir le sac sous vide, laissez l'air entrer, puis le canapé commencera à reprendre sa forme initiale.

Step 4

Tapotez uniformément toute la surface du canapé pour aider l'air à pénétrer dans le rembourrage, puis lissez le tissu avec vos mains pour uniformiser l'aspect.

Step 5

Retirez le dossier (C) et le coussin (D), puis tapotez-les comme indiqué sur l'image.

Appuyez et tapotez avec les deux mains sur les côtés pour permettre une entrée complète de l'air.

Appuyez et tapotez avec les deux mains par-dessus pour permettre une entrée complète de l'air.

Lissez soigneusement chaque partie jusqu'à ce que la surface soit bien uniforme.

Step 6

Retirez le film de protection du Velcro à l'arrière des coussins (B), puis placez les coussins sur le canapé (A).

Taglierina
per pellicola

Assemblaggio finale

Step 1

Aprire lo scatolone con un taglierino nel punto contrassegnato ed estrarre il divano compresso e arrotolato.

Step 2

Rimuovere la pellicola protettiva nella zona contrassegnata, in modo che il divano possa distendersi sul pavimento.

Step 3

Utilizzare la taglierina per sacchetti (E) per aprire il sacco sottovuoto, lasciare che l'aria entri e il divano inizierà a riprendere la sua forma originale.

Step 4

Picchiettare uniformemente tutta la superficie del divano per favorire l'espansione dell'imbottitura, quindi lisciare il tessuto con le mani per uniformare l'aspetto.

Step 5

Rimuovere lo schienale (C) e il cuscino (D) e picchiettarli come mostrato nell'immagine per ripristinarne il volume.

Premere e picchiettare con entrambe le mani sui lati per far entrare aria all'interno.

Premere e picchiettare con entrambe le mani sulla parte superiore per far entrare aria all'interno.

Lisciare attentamente ogni parte fino a quando la superficie risulta uniforme.

Step 6

Rimuovere la pellicola protettiva dal velcro sul retro dei cuscini (B), quindi posizionare i cuscini sul divano (A).

E X1Cúter para
plástico**Montaje final****Step 1**

Use un cúter para abrir la caja en la zona indicada y extraiga el sofá comprimido y enrollado.

**Step 2**

Retire el film plástico siguiendo la indicación de apertura para que el sofá pueda desplegarse de forma plana sobre el suelo.

Step 3

Utilice el cortador (E) para abrir la bolsa al vacío, deje que el aire entre y el sofá comenzará a recuperar su forma original.

Step 4

Golpetee uniformemente toda la superficie del sofá para facilitar la entrada de aire en el relleno, luego alise la tela con las manos para uniformar el aspecto.

Step 5

Retire el respaldo (C) y el cojín (D), y golpéelos como se indica en la imagen.

Presionen y den golpecitos con ambas manos desde los lados para facilitar la entrada de aire.

Presionen y golpeen con ambas manos desde la parte superior para facilitar la entrada de aire.

Alise cuidadosamente cada parte hasta que la superficie quede uniforme.

Step 6

Retire la película protectora del velcro en la parte trasera de los cojines (B), luego coloque los cojines en el sofá (A).

Folie-snijder

Eindmontage

Step 1

Open de doos met een stanleymes op het gemarkeerde punt en haal de opgerolde bank eruit.

Step 2

Verwijder de folie in het gemarkeerde gebied, zodat de opgerolde bank plat op de vloer kan worden uitgerold.

Step 3

Gebruik de folie-snijder (E) om de vacuümzak te openen, laat de lucht naar binnen stromen en de bank zal beginnen zijn oorspronkelijke vorm aan te nemen.

Step 4

Klop het oppervlak van de bank gelijkmatig op om de vulling te helpen uitzetten, en strijk vervolgens de stof glad met je handen voor een gelijkmatig resultaat.

Step 5

Verwijder de rugleuning (C) en het kussen (D) en klop ze zoals getoond in de afbeelding om hun volume te herstellen.

Druk en klop met beide handen vanaf de zijkanten om lucht naar binnen te laten dringen.

Druk en klop met beide handen vanaf de bovenkant om lucht naar binnen te laten dringen.

Strijk elk deel zorgvuldig glad totdat het oppervlak gelijkmatig is.

Step 6

Verwijder de beschermfolie van het klittenband aan de achterkant van de kussens (B) en plaats de kussens vervolgens op de bank (A).
