

SW 957 (38457 & 38458)

IMPORTANT: Please read the instructions in full before assembly and keep for future reference.

- Make sure that you have plenty of space and a clean, dry area for assembly.
- Due to the size of this product we recommend that it is assembled in the room intended for use.
- Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to prevent scratching.
- Check the parts and fittings received to ensure you have everything listed.
- To avoid the risk of suffocation to children and animals, dispose of plastic bags immediately.
- Keep all fittings out of the reach of children during assembly.
- Do not use power tools to construct this product, as their use could make the product unsafe and will invalidate the warranty.
- Do not over tighten screws or bolts.
- The fixings should be regularly checked and tightened as necessary.
- If fixings are found to be damaged or missing, they must be replaced before further use of the product.
- Do not use scourers, abrasives (including washing powders), bleach or solvent based cleaners as they can bleach or damage the product
